Pre-K A Newsletter

Week of November 9th – 13th

Here's a look at what we've been up to this week!

Literacy

This week, we continued working on our long I sound!

- We did a long I activity as a group where we organized pictures with the long I sound.
- Then, we cut pictures that have a long I sound.
- In small groups, one group did a letter I activity where we identified pictures with the I sound and made an I with playdough, another group did a tracing I sheet, and another group did a name writing activity.

Math

- We colored 7 cubes.
- We also played a fun math scavenger hunt where we matched our numbers to a set!

7

CVC Words

This week, we did a CVC word activity with the words beg and big. We had cards with the words written in green, yellow, and red, and then we colored the words beg and big.

beg

big

Other Highlights

We had so much fun exploring, learning, and growing together this week! The class has been doing a wonderful job with our activities, showing kindness, and using our listening ears!

Daily Update Recap

Today was another busy day in Pre-K A! We started with literacy where we did a long I activity as a group, followed by cutting pictures with the long I sound. Then, in small groups we had a letter I activity, tracing I sheet, and a name writing activity. In math, we colored 7 cubes. It was a great day of learning!

Reminders
