

Daycare Days Pre-Registration Form 2016-2017

Dear Parents of Preschool through Fifth Grade Students:

The following form is for your use in signing up for Daycare for the entire school year. Please check the Daycare Days you need and return this form to the Extended Day office as soon as possible. **Please copy this form for your records.**

Deadlines for requests for Daycare are also printed in our school calendar. If, after a Daycare deadline has passed, you decide you need Daycare, and we can accommodate your needs, you will be subject to a \$20.00 surcharge per Daycare Day requested in addition to the Daycare cost.

We would ask that if you do sign up for Daycare Days, and your plans change, that you let us know on or before the deadline. If that is not done by the deadline, you will be charged for any field trips regardless of whether the student participates or not. The School orders tickets and buses for field trips in advance based on the number of students signed up for Daycare.

Please fill out the form below and return it to the Extended Day office as soon as possible.
