

LS Uniforms

At The International School we value each student for who they are, **not by how they look or what they wear**. The School has a uniform policy which requires students to be in uniform at all times, except on scheduled Non-Uniform Days according to the school calendar or when special permission is granted by administration. Students are not allowed to change into street clothes after school without permission. Items that are not listed below may not be worn to school. Any combination of the items listed below may be worn.

PLEASE NOTE: Uniform items should be in their original condition - there may not be any altering of uniform clothing, such as cutting or tearing necks, sleeves, pant legs, etc.
