

The International School  
of Minnesota

# SUMMER ADVENTURE CAMP

June 13 - August 12, 2016

Open to the Community  
Preschool – 8<sup>th</sup> Grade  
Full- and half-day options

*My son  
loves the variety of  
Summer Adventure Camp:  
basketball, science, nature  
exploration. He's never bored.*

*-Adventure*

*Camp Parent*

Dear Parents/Guardians,

This summer, send your kids off each morning knowing they'll spend their days learning, exploring and having fun, all right here at Summer Adventure Camp at The International School of Minnesota. All camp activities take place on our beautiful 55-acre campus in Eden Prairie, adjacent to the Three Rivers Park District's Bryant Lake Park and beach. Fun, creative indoor activities take place in our state-of-the-art learning facility, performing arts center, and swimming pool. Exciting outdoor adventures play out on our nature trails, playgrounds, our soccer field, and the neighboring park and lake.

Daily language classes inspire an understanding and appreciation of cultural diversity, expand campers' global experiences and prepare them to be successful world citizens. This summer, Spanish and American Sign Language are our featured languages.

Your camper will explore and learn with kids their own age in engaging programs designed by educational experts. Experienced, energetic counselors and specialists guide campers as they explore the wonder of culture around the world and here at home.

You can shape your child's summer experience with our flexible programs to fit their interests and your family's schedule. Call or click today to book their adventure!

# The Best of Minnesota Summer in One Camp

Summer Adventure Camp offers a ton of fun activities to spark curiosity and boost learning. With a great mix of indoor and outdoor programs, kids can find an activity they love or discover a new interest!

# SUMMER ADVENTURE CAMP

## THE EXPLORERS • Ages 3 ½ – entering Grade 1

Our youngest campers have turned 3 years old by January 1, 2016 and are fully toilet-trained. Explorers can participate in a half-day morning or full-day program.

All Explorers engage in

- Daily Language Class & Cultural Exploration to learn language basics and discover music, art and world traditions during 4 weeks of Spanish/4 weeks of American Sign Language.
- Daily Swimming in our indoor lap-sized learning pool.
- Classroom Arts & Crafts will bring out the fun in young creative minds.
- Nature Hikes on our beautiful campus trails.
- Outside Play includes stream, pond, and lake exploration, fun on the playgrounds and Slip 'n' Slide, and lively outdoor camp games.
- Let's not forget Friday Beach Day!

PS/PK/K Explorers enjoy afternoon rest and playtime.

Grade 1 Explorers partake in KIDCREATE Studio in our art room, and have a chance to canoe on Bryant Lake.

*Our Extended Day Program is available at no extra cost. Campers are welcome from 7 a.m. to 6 p.m. for fun activities before and after camp.*

## THE PIONEERS • Entering grades 2 – 6

Pioneers can participate in a half-day morning, afternoon, or full-day program and take part in all camp activities, plus have a choice of adding optional Adventure Afternoon activities (next page ↗).

- Daily Language Class & Cultural Exploration to practice languages and discover music, art and traditions from around the world during 4 weeks of Spanish/4 weeks of American Sign Language.
- Daily Swimming in our indoor lap-sized learning pool.
- Twice weekly visits from KIDCREATE Studio in our art room.
- Nature Hikes explore the many nature trails on campus and Bryant Lake Park.
- Canoeing on Bryant Lake.
- Outside Play includes stream, pond, and lake exploration, games and fun on the playgrounds and Slip 'n' Slide, and exciting outdoor camp games like Capture the Flag.
- Friday Beach Day! Need we say more?

## A great opportunity for older students!

### COUNSELORS IN TRAINING (CIT) Entering grades 7 – 8

The Counselor in Training (CIT) program gives our most mature campers a feel for what it takes to be a counselor, while still having the opportunity to participate in all that Summer Adventure Camp has to offer, including the option to add Adventure Afternoon activities. These campers take a leadership role in the group, assisting camp counselors and teachers with activities and programs. As a CIT they will have the opportunity to develop skills and confidence that will help them to become effective leaders and positive role models. Successful participants will come away from this program with valuable experience that will serve them well at home, in school, and in their community and will be awarded a certificate at the end of summer.

9 Action Packed Weeks • June 13 – August 12

# Optional Pioneer Adventure Afternoons for students entering grades 2-8

Add an activity to boost your camp experience! \$40 when added to a full-day program, or \$200 for afternoon only.

June 13-17

## Fergie's Soccer Camp

ISM soccer players will be taken on a journey while learning the "Beautiful Game". Players will learn all aspects of the game while learning different styles and techniques from around the world. Fergie's Soccer Academy builds a foundation for the players which will boost their overall soccer experience.

[www.fergiesocceracademy.com](http://www.fergiesocceracademy.com)

June 20-24

Kevin Lynch Basketball Camp Former NBA and Gopher basketball player's famous camp program for boys and girls teaches skills through drills and games. The goal? Learn, improve and have lots of fun!

*This program is a full-day activity.*

*Open to students grades 3-9*

*Full-day program = \$200*

*Before and after care = \$50*

June 27-July 1

## A Play a Day

Five mini-versions of our popular Music and Theater Workshop. Each day campers will practice drama skills through games and improv and finish with a short play.

July 4-8 Holiday week

No additional camps, closed Monday

July 11-15

## Explore MN Biology

The great outdoors beckons— and our naturalist instructor leads the exploration of our 55 acres of woods and other habitats. In this science course we will learn about plants, animals, and even fungi. We will collect samples and learn survival skills for exploring the woods. We will also explore the pond and find out what lives there. Come discover the wonders of nature right here on the ISM campus!

July 18-22

## Science Explorers Roaring Rockets

Blast off with Science Explorers to accelerate through aerodynamics with rocketry. You will design and modify straw rockets to learn about aerodynamics, projectile motion, thrust and velocity. As you build your own model rocket, you will experiment with Bernoulli's Principle, Newton's 3rd Law and more. Then, if weather permits, you will watch your roaring rocket soar as you launch it high into the sky.

July 25-29

## Science Explorers Engineering Challenges

Join Science Explorers as you use Lego bricks and K'NEX® to imagine, build and play. You and your team will build and then battle a motorized "Bot". Put your engineering skills to the test as you design and construct simple machines, including a hand-drill, balance, crane and more. Create various bridge designs to solve engineering challenges. Explore the amazing science of amusement parks by constructing a Ferris Wheel, roaster coaster and more.

August 1-5

## Music and Theater Workshop

In one of our most popular programs, girls and boys develop singing, dancing and acting skills leading up to a performance on the last day of the workshop. We will be performing "Summer Camp", a musical caper about finding a place to belong.

August 8-12

## Outdoor Adventure Skills

Our new outdoor adventure skills camp will explore outdoor activities that are both fun and educational. Campers will learn the basics of camping, fishing, and the identification of Minnesota's flora and fauna during nature hikes. We will learn how to build a fire, and pitch a tent, the basics of bird watching, and tree identification. We will also take advantage of our great outdoor campus with games like Predator and Prey and Frisbee Golf.
