Have a positive, cooperative spirit and eagerly participate in every activity planned. No grumbling allowed!

Be in your room at evening check-in and stay in your room once your chaperone has checked you in.

Boys/Girls may not be in each other's room except in a group with the door open.

Alcohol, tobacco, or drugs will NOT be tolerated.

***In performance I will give my complete effort and ability to a quality performance. I realize that the group is only as good as I am individually.***

***Offstage I will exhibit good character and will make wise choices.***

***I understand that failure to abide by the above will result in my immediate return home at my parent's expense.***
