

Grades 3,4 & 5 Newsletter

Term 1 Week 9 - 10/16

Social Studies

3rd Grade: We described how the land and water around a community affect the people who live there. We compared physical characteristics of different communities.

4th Grade: We explained how money moves through different parts of an economy and how people manage the money they earn. We explored how and where U.S. bills and coins are created. We discussed what individuals do to contribute to their local economies and communities.

5th Grade: We explained how geography and climate affected the habits and lifestyles of the early peoples of the Eastern Woodlands. We described the various customs, traditions, and economies of Eastern Woodlands peoples.

English

3rd Grade: In Anthology, read our new story “The Hare and the Tortoise” and examined the characteristics of a fable. Students will have their next spelling test next Friday, October 23. Next week, students will be practicing and reviewing writing informational paragraphs in preparation for their writing periodic.

4th Grade: In Anthology, we read an excerpt of “The Wonderful Wizard of Oz” and examined vocabulary from the story. Students also worked on Grammar review as well as practicing how to write informational paragraphs in preparation for their writing periodic.

5th Grade: In Anthology, we read our story “The American Buffalo.” Students also worked on Grammar Unit 6. We will continue reviewing and practicing how to write informational paragraphs in preparation for their writing periodic.

Math

3rd Grade: We reviewed for the periodic on Chapter 2 which focused on Addition and subtraction. We also continued to work on our multiplication facts in Chapter 3 section 2.

4th Grade: We reviewed for the Periodic on Chapter 3 which focused on Addition and Subtraction. We also continued to work on multiplication and division facts in Chapter 4 section 2 and 3.

5th Grade: We reviewed for the Periodic on Chapter 3-Chapter 4 section 2 which focused on Algebra and Multiplication. We also continued to work on Multiplication and division facts in Chapter 4 section 6.
