

The First Grade Newsletter

August 31 - September 4

English: This week we read the text "Feelings" in our Anthology book. We learned what verbs are and found them in sentences. We have also been working hard on our handwriting.

Math: We worked on adding a few more by counting on. We also put two sets together and took them apart to make a set.

Science: This week we learned about soil. We discussed the different properties of soil. We discussed the different living and nonliving things that can be found in soil.

Social Studies: Students learned about cooperation and compromise. We discussed different strategies to get along with others.

French: Bonjour chers parents! This week, our French students learned the grammatical difference between "masculin" and "feminin". We also learned some vocabulaire associated with the letters A to L."

Spanish: This week, we identified vocabulary with letters E, F, G, and H, and numbers 1-10.

Special Notes:

- Our library time is on Thursdays; please remember to return books checked out each week.
- Our swim time is on Thursdays: please remember to bring a swimsuit each week.
