WHAT ARE WE LEARNING?

Hello Parents

We have had a fun week learning about Teeth and how to keep those teeth sparkly clean and making healthy food choices and germs . We created healthy mouths with playdough, practiced flossing on pretend teeth, made art with a toothbrush, and learned some motor skills by practicing hopping with two feet. This week we learned about the color BLUE, shape of a CIRCLE, NUMBER 8, and LETTER Rr.

Some Rr words we came up with was rainbow, right (hand), rake, roar (Lion) and color RED

Thank you parents for sharing your children. They are so special☺
