WHAT ARE WE LEARNING?

Happy Friday!

Hello Parents

This week we started to learn about community helpers. We discussed a lot about firefighters and policeman. We learned about fires and what to do in case there ever was a fire to stop, drop and roll! We discussed what policeman do and how they help keep us safe in our community. We will continue learning about more community helper roles next week. We will focus in on construction and a baker! Maybe even bake something😊

This week we learned about the color black, Number 2, Letter Ll, and shape of a heart! We continue to talk about having safe body's and being KIND😊

IMPORTANT DATES

November 11, 2025 Veterans Day

November 21 Early Release Day (No extended day)

November 24-28, 2025 No School

REMINDERS

- Please remember to try and keep trinkets, stuffed animals and other home objects at home so it isn't a disruption during regular class time.
