

This week in: Preschool B

Greetings Parents:

Happy Friday! This week we have been learning all about Places that we call home. We talked about what are things that are inside a home, what makes up each child's home (who lives in their homes). The children have enjoyed talking about them and who makes up their family!

We had fun celebrating some birthdays as well. Thanks for bringing them treats!

Next week, we will be working on continuing discussions around home and family. We will talk about what is around our neighborhood, and things we live with. We also will learn all about the shape of a diamond, color orange, Number 7 .

Important Reminders

Tuesdays are Library Days. Ms., Sara will come in and read books and than they will be able to check out a book!
