## ***The Second Grade Newsletter*** **December 8-12**

### **Math:**

- We continued to work with graphs.
- This term, students will be completing math AMS exams. They are an introduction to tests that will take place in grades 3 and above. Next week we will have a practice exam and then they will count towards student math score.

### **English:**

- We read the informational fiction story, "The Beeman."
- We continued to work on writing a "How To" paragraph.
- We looked at cursive letters.
- **Practice spelling list 10. It will be tested on THURSDAY, December 18<sup>th</sup>.**

### **Science:**

- We discussed how forces move objects.
- We looked at how friction affects the movement of objects.

### **Social Studies:**

- We discussed goods and services.

### **Spanish:**

- This week we continue to learn the parts of the face and the five senses (*ver, oír, oler, saborear, tocar*) and wrote sentences using them.

### **French:**

- We practice asking and answering questions. We learn/review what a subject and a verb are and how to find them in a sentence.
