## Classroom Highlights

Hi Pre-K B families! 😊

We've had such a busy and exciting week in our classroom. The children worked hard and accomplished so much in their learning! We're also thrilled to share that the class earned **"Bring a Stuffy to School Day"** 🧸 🎉 They filled up all their smileys by working hard, completing their activities, and working together as a team to follow instructions. We're so proud of them! 🌟

## Important! ✨

Here are a few reminders to help our week run smoothly:

- **Optional Work Sent Home:** If your child misses a school day, I will send home the work we completed in class. This is *completely optional* and provided for families who requested it. 🙂

- **Library on Thursdays:** Please remember that we go to the library every Thursday. Since it's a long walk, try to have students here by **8:20 AM** so we can arrive on time! 📚
