The First Grade Newsletter

December 15 - 19

English: We read the story "Mr. Jeremy Fisher" in our Anthology book. We continued to write thank you letters in writing.

Math: This week we identified the order of objects from first to last. We skip counted by 2's, 5's and 10's.

Science: This week we learned how to measure volume and temperature. We learned that we can measure temperature in Celsius and Fahrenheit.

Social Studies: We learned about different national and state symbols.

French: We studied and memorized the vocabulary words around the house: each room, the appliances, and the furniture.

Spanish: This week, we continued reviewing our vocabulary "la cocina". We also learned to pronounce combination of consonants and vowels G, H (a, e, i, o, u) and we are singing "Madre Tierra". Please review kitchen and living room items during winter break, if possible. Have a wonderful winter break and I will see you in January 2026 😊
