

# December NEWSLETTER

## WHAT ARE WE LEARNING?

Greetings,

This week we have discussed winter. We explored a lot with snow and talked about Wind by blowing feathers, the children enjoyed the nice weather and we learned about rainbows, and made snowflakes with coffee filters. The color we learned was green, letter Pp, shape rectangle and number 6.

HOME ASSIGNMENT

Please take pictures of any fun activities you do and you can email them or bring them in to share when they come back in the New Year!

Communication Update

As communicated this week about availability for you all to feel welcomed to talk with teachers. I have heard the feedback and am going to be available any time to come in during the morning to talk. Doors are open from 7:30 to 8. Also, I will do my best to communicate better on the big wheel. However, I am also open if you would like to set up a specific time as well if you want!

Few more housekeeping reminders...

Please clean your children's backpacks out if that is the preferred method of belongings. By Friday it becomes hard to get everything in there.

Please have your child wear tennis shoes for gym on Tuesdays.

For Friday swim, if you can please send your child in slip-ons for after swim class that will make it a lot easier for children as the way there is upstairs to the locker room.

## IMPORTANT DATES
