Discovery Counselors-In-Training 2020

An Awesome Day-
Camp Experience For
Grades 7-9

WHAT TO EXPECT

You will develop leadership skills and gain confidence as you assist camp counselors and teachers with daily activities and programs.

EXPLORATION POINTS

THE ARTS

We have exceptional arts programs that include drawing, painting, drama, and music. As a counselors-in-training, you can participate and assist in teaching alongside camp counselors and faculty.

WORLD LANGUAGE & CULTURE

During Discovery Summer Camp our focus on world language and culture includes everything from foods and cultural traditions - to song, dances, and of course learning the languages.

SCIENCE DISCOVERY

We have an amazing 55-acre campus that we love to explore! As a counselor-in-training, helping to lead these explorations will allow you to show younger campers all the marvels of Minnesota!

WHY SHOULD YOU JOIN US?

Learn to lead. As a counselor-in-training you will share your knowledge and skills with our Little Explorers and Pioneers while still participating in everything camp has to offer.
