Of Adventure!

**Preschool - Kindergarten**

# ACTIVITIES

## SCIENCE DISCOVERY

Our campus sits on 55- acres of private woodland that our intrepid Little Explorers are encouraged to enjoy during regular hikes and fun nature scavenger hunts. Science discovery teaches kids about the natural wonders of our state in an engaging, hands-on way.

## WORLD LANGUAGES

Language classes and cultural exploration to learn language basics and discover music, art, and traditions from around the world during the 3 weeks of each language!

## ARTS & CRAFTS

Little Explorers love arts and crafts. Campers will be involved in a large scale project that will be showcased in our gallery throughout the summer!

## WEEKLY FIELD TRIPS

Each week, kids of all ages will be invited to participate in various field trips!

## SWIMMING

Daily swimming in our indoor pool gives campers the opportunity to cool off - or maybe warm-up if the weather is not cooperating. Pool time is great too... Marco?

## BEACH DAYS

Every week our little adventurers will walk to the beach for a fun day of play, a picnic, and a chance to unwind from the activities of the week!

## DRAMA & MUSIC

For our Little Explorers, drama & music will primarily be about pretend play and encouraging their imagination to run wild!

## GAMES

What would summer be without games? Little Explorers will enjoy indoor and outdoor games, promoting teamwork and gross motor skills.
