

Summer is fun, and nothing is as much fun for kids in Preschool and Pre-K as Discovery Little Explorers! At The International School of Minnesota, occupying young minds is an area that we truly excel. Every day of Discovery Summer Camp offers an enormous variety of exciting and fun things to do, see, learn, and most importantly play!

## Discovery Little Explorers 2019

AN ENTIRE SUMMER OF  
ADVENTURE!

# Activities

## GAMES

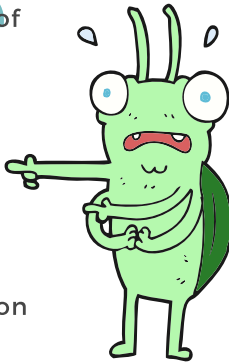

What would summer be without games? Little Explorers will enjoy indoor and outdoor games ranging from good old-fashioned tag to whatever new thing the kiddos are into these days!

## SWIMMING

Daily swimming in our indoor pool gives campers the opportunity to cool off – or maybe warm-up if the weather is not cooperating. Pool time is game time too... Marco?

## SCIENCE DISCOVERY

Our campus sits on 55-acres of private woodland that our intrepid Little Explorers are encouraged to enjoy during regular hikes and fun nature “scavenger hunts”. Science Discovery teaches kids about the natural wonders of our State in an engaging, hands-on way.

## DRAMA & MUSIC

For our Little Explorers, Drama & Music will primarily be about ‘pretend play’ and encouraging their imagination to run wild!

## Little Minds – BIG Adventures!

## WORLD LANGUAGES & CULTURES

At The International School, we understand the importance of exposing children to as many new experiences as possible. Focusing on languages, cultures, and the differences we each have helps promote a harmonious environment and reinforces the importance of diversity and inclusivity.

## ARTS & CRAFTS

Little Explorers love arts and crafts – it is fun, engaging, messy, sometimes thought provoking and always immensely satisfying. By the end of the summer, we are sure your refrigerator will be adorned with new masterpieces!

## BEACH DAYS

Every week our little adventurers will ‘hike’ to the Beach for a fun day of play, a picnic and a chance to unwind from the activities of the week!

## Our Packages
